So you better wake up  
Pay attention to me  
I need to talk  
And you need to see  
What I've been feeling  
Got so much inside  
You know you've been stealing  
My peace of mind

You never take the time to listen - oh no  
You never take the time to care - oh

Hear me - I'm talking to you  
Hear me - I wanna tell you the truth  
Hear me, hear me - that's all I want

I'm like everyone else  
I need more than love  
Need to know you're a friend  
Someone I can count on

Somebody to laugh with  
Someone to cry  
Somebody to live with  
Not die

You gotta take the time to listen - oh yeah

You gotta take the time to care - oh

Hear me - I'm talking to you  
Hear me - I wanna tell you the truth  
Hear me, hear me - that's all I want - all!  
Hear me - I'm hurting inside  
Hear me - you better treat me right  
Hear me - you're gonna lose me if you don't

Oh hear me - I'm talking to you  
Hear me - I'm talking to you oh

Hear me - I'm talking to you  
Hear me - I wanna tell you the truth

Hear me, hear me - that's all I want - all!  
Hear me - I'm hurting inside  
Hear me - you better treat me right  
Hear me - you're gonna lose me if you  
Hear me - you're gonna lose me if you don't  
Hear me - I'm talking to you  
Hear me - I wanna tell you the truth  
Hear me, hear me - that's all I want - all!  
Hear me... hear me... hear me!
