I look at you, Heaven I see
All that you do, Angel to me

You hold me when I'm sad
And you love me when I'm bad
It feels like I'm falling

Heaven I see and it's Heaven I feel
And the devil in me
Gets down on his knees
Heaven I see

I thought I would die before I met you
You brought back to life all that is true

You hold me when I'm sad
And forgive me when I'm bad
It feels like I'm falling

Heaven I see and it's Heaven I feel
And the devil in me
Gets down on his knees
Heaven I see

I've walked through the fire
Been raked through the coals
You lifted me higher
Both body and soul, yeah

Heaven I see and it's Heaven I feel
And the devil in me
Gets down on his knees
Heaven I see, yeah
Heaven I see

And the devil in me
Gets down on his knees
Heaven I see

Heaven I see and it's heaven I feel
And the devil in me

Is finally set free
Heaven I see, yeah
Heaven I see and it's heaven I feel
And the devil in me
Is finally set free
Heaven I see, yeah
