is anybody out therewho feels the way i dowho knows
about the real thingswho knows about the truthfind
your place - feel your soulmake it right - reach your
goallisten to yout heartthere's no time to losethe
hardest part iswhat you gonna chose
don't shoot a poison arrowthrough your own heartdon't
ruin the life you liveright from the startyou live and
learnthat you don't live to dieyou gotta give your
bloodgive it all you've gotdon't shoot a poison
arrowthrough your own heart
i feel so much hatesurrounding mei can't take this
placethis insanitylet me feel some lovethat's what i
really need
confusion, illusionthe same old songnobody's
rightwhen everybody's wrongtake control - play no
gamemake a stand - feel no shameti's so easy to give
inbut it's so hardto do the right thing
don't shoot a poison arrowthrough your own heartdon't
ruin the life you liveright from the startyou gotta leave
your markand give it all you've gotnever settle for
lessgive it your best shotdon't shoot a poison
arrowthrough your own heart
i feel so much hatesurrounding mei can't take this
placethis insanitylet me feel some lovethat's what i
really need
don't shoot a poison arrowthrough your own heartdon't
ruin the life you liveright from the start
don't shoot a poison arrowthrough your own heartdon't
ruin the life you liveright from the start
don't shoot a poison arrowthrough your own heartdon't
ruin the life you liveright from the start
don't shoot a poison arrow
