Livin' and dreamin' in a world full of fear
Playin' with feelings that carried me here today

Lost in the memories of days gone by
Runnin' on empty and the wells run dry today
It's so far away
That I could fade away

(but) I'll fly
Cross this river of tears
And I'll fly
Cross this river of tears
'cause a lonely heart could die alone
In this river of tears

I could hear thunder, but I couldn't feel the rain
I fell down under, this dangerous game
We play
It's so far away
That I could fade away

(but) I'll fly
Cross this river of tears
And I'll fly
Cross this river of tears

'cause a lonely heart could die alone
In this river of tears

So I could fade away

(but) I'll fly
Cross this river of tears
And I'll fly
Cross this river of tears
'cause a lonely heart could die alone
'cause a lonely heart could die alone
In this river of tears

In this river of tears
I'll fly
I'll fly

I'll fly
I'll fly
Cross this river of tears
I'll fly
I'll fly...
