We all love
We all breathe
We all feel the risin

Times are changin
Our life goes on
And we need to be strong
Yeah we need to be strong

[Chorus]
We will rock
Before we bleed
We will rock to be free
We will rock
It
We will rock
Before we bleed
We will rock
Before we bleed

We hear the thunder
Yeah life is cruel
Who knows what will change
But it
It
We
And we

[Chorus]
We will rock
Before we bleed
We will rock to be free
We will rock
It
We will rock
Before we bleed
We will rock
Before we bleed
We will rock
We will rock
We will rock on

We will rock
We will rock
Before we bleed
We will rock
We will rock
We will rock on
We will rock
We will rock on
