Every night
I have the strangest dreams
Runnin' through my head
And every night
I have the strangest feelin'
I ain't in my bed
It's always the same
But I can't explain
I'm feeling no pain
Then I'm alone again

I pull the trigger
And I'm the bullet
Comin' out of the gun

Something wicked this way comes
Something wicked this way comes

Darkness came
And I gave my heart again
And that's forever
It was love and pain
And I'll never be the same
But I can't surrender

Don't know what it is
I'm feelin' stranger and stranger
I live in my dreams
And I am feelin' danger

I'm feelin' cold
Somebody help me, 'cause
You stole my heart forever

Something wicked this way comes
Something wicked this way comes

Somebody help me
Make it through the night
Somebody save me
'Cause somethin' ain't right - ahohoh
Things ain't what they seem - no!

Can't wake up from this dream
Yeah! Aw!
