Oh you make it so easy
When you're making it rough
You won't make no promises
But you can't get enough

I feel like I'm standing
In the headlight beam
You come on like thunder
I know what this means

It's unholy love
Oh, can't you see
This unholy love
You know is killing me, oh

Oh, the sting of confusion
Then a kiss from your lips
You don't make it painless
And you don't make it quick, yeah

I hold on forever
Till I feel the sweet rush start
Then you're holding me closer
While you're breaking my heart

It's unholy love
Baby, can't you see
It's unholy love
So good it's killing me

It's unholy love
Oh, can't you see
This unholy love
You know it's killing me, oh

I feel like I'm standing
In the headlight beam
Oh, you come on like thunder
I know what this means

It's unholy love
This unholy love

You know it's killing me, oh
Baby, can't you see
This unholy love
Yes and it's killing me, oh
