Hey, little sister what have you done?
Hey, little sister who's the only one?
Hey, little sister who's your Superman?
Hey, little sister who's the one you want?
Hey, little sister shot gun

It's a nice day to start again
It's a nice day for a white wedding
It's a nice day to start again

Hey, little sister what have you done?
Hey, little sister who's the only one?
I've been away for so long
(So long)
I've been away for so long
(So long)
I let you go for so long

It's a nice day to start again
It's a nice day for a white wedding
It's a nice day to start again

Take me back home, yeah
There is nothin' fair in this world
There is nothin' safe in this world

And there is nothin' sure in this world
And there is nothin' pure in this world
Look for something left in this world, start again

It's a nice day for a white wedding
It's a nice day to start again
It's a nice day for a white wedding
It's a nice day to start again

It's a nice day for a white wedding
It's a nice day to start again
