We all learn the hard way
Like a ride on the rain
We like to keep the secrets
Tied and chained

Out there on the dark side
I can hear you call
It's so hard to believe you
I can't run no more

The last time you led 'em all astrey
But this time you gave yourself away

So Cry Wolf
And tell me it's for real
Cry Wolf
Since no one knows the way you feel
Cry Wolf
Your tears are never real
And no one comes to hear
When you Cry Wolf

We all feel the fences
Standing wide and tall
Wrapped around our senses
Made to fall

Outside in the real world
Deep inside your mind
Lies a lost deceiver
I won't wait in line

The last time you led 'em all astrey
But this time you gave yourself away

So Cry Wolf
And tell me it's for real
Cry Wolf
Since no one knows the way you feel
Cry Wolf
Your tears are never real
And no one comes to hear

When you Cry Wolf

So Cry Wolf

Cry

Cry Wolf

Cry

Cry yea!Cry yea!

-SOLO-

So Cry

Cry Wolf

And tell me it's for real

Cry Wolf

No one knows the way you feel

Cry Wolf

Your tears are never real

And no one comes to hear

When you Cry Wolf

Cry Wolf

Cry Wolf

Cry Wolf

Cry

Cry Wolf

Cry

Cry Wolf

Cry

Cry Wolf
