Flash and bones
With hearts of stone
Cursin' the stars in the sky
The painted face
Has lost it's place

Beneath the wheel
No pain can heal
So the spirit must leasat how to fly
Across the clouds
Strong and proud

So rise up - forget about the stories you tell
Rise up - and let me heer your renegade heart yell
Oh' oh' oh' oh Rock on Hellraiser
Oh' oh, oh' oh Raze it Hellraiser

Stand or fall
Don't we all
Searchin' for ways to survive
We're sweatin' blood
To keep alive

And If you feel
What I feel
Then we will learn how to fight
For what is real
And what is right

So rise up - forget about the stories you tell
Rise up - and let me heer your renegade heart yell
Oh' oh' oh' oh Rock on Hellraiser
Oh' oh, oh' oh Raze it Hellraiser
