Some chose to remember  
Some choose to forget  
Some fall to pieces  
When they lose their heads

I choose to get lucky  
Don't choose to regret  
I'll take my chances  
Only i know best

When it all gets down to me  
When it all gets down to me

('Cause) I Am, What I Am  
And no one's gonna tell me where or when  
'Cause I Am, What I Am  
And no one's gonna break me down again

I hate to be lonely  
I can't pretend  
Don't need no phonies  
Tryin' to be my friends

Don't care about danger  
Lean take the fall  
Everyone's a stranger  
'till just one stands tall

And it all comes down on me  
When it all comes down to me

'Cause I Am, What I Am  
And no-one's gonna tell me where or when  
'Cause I Am, What I Am  
Nothin's gonna break me down again

I can hear the devil callin', callin'  
I can hear him callin' me  
But I don't do nothin'

I don't believe

-SOLO-

When it all comes down to me  
When it all gets down to me

'Cause I Am, What I Am  
And nobody's gonna tell me where or when  
'Cause I Am, What I Am  
Nothin's gonna break me down again  
Nothin's gonna break me down - again
