All alone, and night is falling  
All along, I hear you calling  
Telling lies, and sad goodbyes  
The secrets will be safe inside of me

As long as I'm alive  
You'll always be a part of me  
As long as I'm alive  
As long as I'm alive  
For you I'll always keep  
The fire burning inside

#### CHORUS

I will keep this love alive  
Let our souls be the first me satisfy  
I will keep this love alive

Oh let our hearts be the only guide we follow

Everybody knows, you can't build a wall around us  
I believe time will tell  
Our hearts will stay forever locked together

As long as I'm alive  
For you I'll always keep  
The fire burning inside

#### CHORUS
