I feel my days
Are running away like rain
I'm trying to hold on
Even though it's in vain

Ooh, off and on
Everyday we change
Ooh, all and all
Love and pain remain

I wish I could exist
Without your love
I wish I wouldn't be
Dependent on

Ooh, don't lie to me
To make it all alright, oh
Ooh when your eyes
Are telling me goodbye

Don't go
You're all that I have
Don't go
'Cause I love you so

Don't go
You're all that I have
Don't go
'Cause I love you more
Than you know, don't go

I know the way you feel
Won't stay the same
I wish that I could rise
Above the pain

Ooh, on and on
I'll take it day by day, oh
Ooh, all in all
I make it through the rain

Don't go

You're all I have
Don't go
'Cause I love you so

Don't go
You're all that I have
Don't go
'Cause I love you more than you know

(Don't go)
You're breaking my heart
Don't go
(Don't go)
You tear me apart

Don't go
(Don't go)
You're all that I have
Don't go
(Don't go)
'Cause I love you more than you know

When you look into my eyes
Can you see the fear I'm holding back?
I don't want to let it out 'cause this

Fear is keeping me on track
Ooh, I just got to let you know
I don't want to see you go away

Ooh, I won't change
Ooh, love and pain remains

Don't go
You're all that I have
Don't go
'Cause I love you so

Don't go
You're all that I have
Don't go
'Cause I love you more than you know

(Don't go)
Ooh, you're breaking my heart
Don't go
You tear me apart

Don't go
You're all that I have
Don't go

'Cause I love you more than you know
I love you more than you know

Don't go, don't go
Don't go, don't go
Don't go, don't go
Don't go
