Every book on the shelf
Every teacher in school
Every man in the street
Has another golden rule
East and the West
Politician liars
Last S.O.S.
They set the world on fire
Hear the message
Don't touch my music
We're ready to fight
Fight for rock
Fighting for rock - fight!
Fight for rock
We're dying for rock
Steal my money
Take my job and my car
Do anything you want
But don't push your luck too far
East and the West
Politician liars

Last S.O.S.

They set the world on fire

Hear the message

Don't touch my music

We're ready to fight

Fight for rock

Fighting for rock - fight!

Fight for rock

We're dying for rock

We are the rocking forces

Soldiers of a different kind

We go to war - if you want it

And wipe you out

Fight for rock

We're dying for rock

Fight - fight for rock

Fight - fight for rock

Fight

Fight - fight for rock
