Never a day going by that Iâ'm not afraid  
And I sleep in the dark with one eye awake  
Iâ'm often left without a thing  
cause I canâ't fake it at all  
I seek the truth, withstand the pain  
And I know what I feel

*[Chorus]*

When I feel my heart is right  
I gotta fight  
And I hope we stand alike  
We gotta fight  
Gotta fight

Oooh, something there underneath  
that should never be ignored  
Like a lie that fades away  
but will never lead to truth  
Iâ'm often left without a thing  
cause I canâ't fake it at all  
I seek the truth, withstand the pain  
And I know what I feel

*[Chorus]*

When I feel my heart is right  
Gotta fight  
And I hope we stand alike  
Gotta fight  
Gotta fight

Ooooooh, oooooh  
Nobody cares and nobody dares  
Such a lonely way  
Nobody cares and nobody dares

Cause I know what I feel

*[Chorus]*

When I feel my heart is right  
Gotta fight  
And I hope we stand alike  
Gotta fight

And I know I will survive  
Gotta fight  
And I hope we stand alike  
Gotta fight, Gotta fight  
Gotta fight, Fight
