So many years ago,
We walked side by side
You meant everything to me
The light of my life
I miss all the time we had
And all that we shared
I think of the things you said
When I miss you so bad

For love and friendship,
I would leave it all behind
Love and friendship
Is the best thing in my life
Love and friendship
Is so sacred and divine
Love and friendship
Never ends and never dies

I know it's the holy ground,
I walk into thee
You hear on the other side,
Waiting for me
Even this long ago, could be ages or more
The ground works right to the core
I promise for sure

For love and friendship,
I would leave it all behind
Love and friendship
Is the best thing in my life
Love and friendship
Is so sacred and divine
Love and friendship
Never ends and never dies

For love and friendship,
I would leave it all behind
Love and friendship
Is the best thing in my life
Love and friendship
Is so sacred and divine

Love and friendship
Never ends and never dies
Never dies

Love and friendship
Keeps me always by your side
Love and friendship
Never ends and never dies
Never dies
