I Adore You

When I drive alone at night
and sit around
and see the frowns
of other people down,
it bores me

And when I have to listen to
the points of view of people who
Are way into bad news,
it bores me

I would rather hear
Hear you whisper in my ear
That you adore me

Chorus:
That you adore me
and only you get my love
I adore you in a million ways, night and day
I adore you and only you can get my love
In so many ways IÃfÂ,'m just wantinÃfÂ,' to say
I adore you

When you reach and touch my hand
I understand that youÃfÂ,'re a man
Who loves me like no other can,
it floors me

It makes me wanna be with you
and do the things you want me to
To show you I adore you,
you floor me

I would rather hear
Hear you whisper in my ear
That you adore me

Chorus:
That you adore me
and only you get my love

I adore you in a million ways, night and day
I adore you and only you can get my love
In so many ways IÃfÂ,'m just wantinÃfÂ,' to say
I adore you

I adore you
I adore you and only you can get my love
I adore you in a million ways, night and day
I adore you and only you can get my love
In so many ways IÃfÂ,'m just wantinÃfÂ,' to say
I adore you
I adore you
I adore you

I adore you
