Livin' and dreamin' in a world full of fear  
Playin' with feelings that carried me here today

Lost in the memories of days gone by  
Runnin' on empty and the wells run dry today  
It's so far away  
That I could fade away

( but ) I'll fly  
Cross this river of tears  
And I'll fly  
Cross this river of tears  
'Cause a lonely heart could die alone  
In this river of tears

I could hear thunder, but I couldn't feel the rain  
I fell down under, this dangerous game  
We play  
It's so far away  
That I could fade away

( but ) I'll fly  
Cross this river of tears  
And I'll fly  
Cross this river of tears  
'Cause a lonely heart could die alone  
In this river of tears

So I could fade away

( but ) I'll fly  
Cross this river of tears  
And I'll fly  
Cross this river of tears  
'Cause a lonely heart could die alone  
'Cause a lonely heart could die alone  
In this river of tears

In this river of tears  
I'll fly  
I'll fly  
I'll fly

I'll fly  
Cross this river of tears  
I'll fly  
I'll fly...
