I've been here and I've been there
People look at me
And stare, they don't know
Where I come from

Well, I've seen this
And I've seen that
And I don't care where they're at
My heart's beating like a drum

All I need to save my soul
Is a dose of rock and roll

We're alright
Rock you all night
Hey, rock on

What goes up
Ain't never comin' down
Hey, rock on

And I've been up
And I've been down
I've been all around this town
People, it's a human wasteland

I say, oh, yeah, alright
Better stick with me tonight
We'll go to the promised land

Set me free, can't you see
It's the only way to be

We're alright
Rock you all night
Hey, rock on

I'm goin' up
Ain't never comin' down
Hey, rock on, rock on

Let me hear you now

We're alright
Rock you all night
Hey, rock on

We're alright
Gonna rock you, gonna rock all night
Hey, rock on

Hey, rock on
Hey, rock on
Rock on, rock on
Hey, rock on
