"Save My Soul"

I was tempted
Like a desperate child
Sent out in the world to taste it

It was colder than steel
Frozen in fields
Emptied by the turning of pages

Falling like stone
Over and over
Falling alone
Hold on hold on

Love, will save my soul someday
Love, will save my soul someday

Take me away
Take me so far away
Love will save my soul someday

I was trusted like a heart of gold
Walked out on this earth to make it
Yea, I'm better than bad
Stronger than sad
Harder than the rock of ages

Fallin' like stones
Over and over
Falling alone
Hold on, hold on

Love, will save my soul someday
Love, will save my soul someday

Take me away
Take me so far away
Love will save my soul someday

Fallin' like stone
Over and over
Falling alone
Hold on, oh hold on

Love, will save my soul someday
Love, will save my soul someday

Take me away
Take me so far away
Love will save my soul

Love, will save my soul someday
Love, will save my soul someday
