Every day as I go by his window
I can see him plink a plunk away
Practicing his happy banjo music
And at times like this, I always say

Everybody sing
Play a song, play a song
Little banjo boy
Banjo boy, banjo boy

Hey, you can sing louder
Than that, can't you

Sing along, sing along
Little banjo boy
Sing your carefree melody

Now, come on
Here's the plink part

Every plink
Plink-a-plink-a-plink
Sends a happy feeling
Through my heart

Who can think
Think-a-think-a-think
Of a worry when
Your plinking starts

Bright and clear, let me hear
Your sweet song of joy
Play for me, banjo boy

Now sing along

Sing along, sing along
Little banjo boy
Sing your carefree melody

Every plink
Plink-a-plink-a-plink

Has a sound of magic
In each note

Makes me think of some goodies
Like jellybeans (you're good)
And ice cream down my throat

Bright and clear, let me hear
Your sweet song of joy
Play for me, banjo boy
