Seven days, seven days  
(Seven days, seven days)  
And there's not a word from you  
(And there's no word from you)

Seven days without love  
(Seven days without you)  
Tell me what am I to do  
(Tell me what am I to do)

Seven days I have cried  
(Seven days have I cried)  
How I long to feel your touch  
(How I long for your touch)

Why'd you go, why'd you stray  
(Why'd you go, why'd you stray)  
When I love you, oh, so much  
(Oh, I love you, oh, so much)

The phone won't ring at all  
The clock is standing still  
My tears are like the raindrops  
Upon my window sill

Seven days, lonely days  
(Seven days, seven days)  
I have walked the floor for you  
(I have walked the floor for you)

Seven days, seven days  
(Seven days, seven days)  
Won't you please say you're still true  
(Won't you say that you're mine)

Seven days, seven days  
(Seven days, seven days)  
I have been in misery  
(Lonely days, lonely days)

Seven days, lonely days  
(Seven days, lonely days)

Darling, please come back to me  
(Please come back, please come back)

Seven lonely days  
(Please come back)
