In that very moment which life doth fade away  
Ejected from my human shell exempt from time or  
space  
Floating absorbing omniscient in display  
A grandiose presentation unravels before me

Not in chronology but so wildly all at once  
An open dioramic rendition of events  
Some horrible integral just the same  
All pieces are key to the sum of the being

A strobe of emotions vivid extreme  
The rapturous voyage through life's victories  
The man that I once was I have left him behind

What kind of man does the assembled puzzle read?  
With soul spread open wide  
I calmly contemplate my destiny

Death panorama  
Death panorama

Not in chronology but so wildly all at once  
An open dioramic rendition of events  
Some horrible integral just the same  
All pieces are key to the sum of the being

A strobe of emotions vivid extreme  
The rapturous voyage through life's victories  
The man that I once was I have left him behind
