Paralyzing atrophy locked  
In her web of mimicry  
Suspended inverted waiting to die

Dexterous segmented limbs  
Fangs to sink within your skin  
They seek to find a vacancy  
Within your withered heart

She lives for the hunt, man  
And you are the kill  
Now feel that venom spread  
It's hardening your arteries  
Ensnared soon to be dead

A shadow of your former  
A mere shell of a man  
Degenerated tortured hallowed  
And spit into the earth again

To terminally lust for  
To love one's self to death  
Regret the day you heard the tune  
That trapped you in the sirens nest

Enchanting the flower of disease  
Beware her silken surprise  
She'll throttle you down to your knees  
She'll suck you dry

Lost inside her eyes of thousand  
The deadly kiss of  
A mistress venomous

Soulless you fell before her  
Quenching her ravenous thirst  
Strip mining your essence  
She'll turn your universe to black

Emasculating glutton for perverse punishment  
Lecherous and deviant perfume to mask her scent  
To the naked eye immaculate to her victim poisonous

She'll wrap you up so tight she'll suffocate without  
relent

Enchanting the flower of disease  
Beware her silken surprise  
She'll throttle you down to your knees  
She'll suck you dry
