(Spoken)

I just can't beleive it baby
You know, I can't beleive it would go this far
I mean like last month when you said
That you did 'nt love me anymore
I could have died...
I really thought it was just talk
Oh, I know about her and what she means to you
But, but what about our dreams and plans
I mean, all the plans we made together
And what about our little Suzie?
Have you stopped to think about her?

With pen in hand
You sign your name
Today at five
I'll be on that train
And you'll be free
And I'll be alone
So alone

If you think
We can't find the love we once knew
If you think
I can't make everything up to you
Then I'll be gone
And you'll be on your own
You'll be on your own

Can you take good care of Suzie?
Can you take her to school everyday
Can you teach her how to play
All the games that little girls play
Hear what I say
Can you teach her how to roll up her hair
Can you make sure each night that she says her
prayers
Well if you can do all these things
Then maybe she won't miss me
Maybe she won't miss me

And tonight as you laid in that big lonely bed

And you look at that pillow
Where I laid my head
With your heart on fire
Will you have no desire
To kiss me
Or to hold me

And if you can forget
The good times we had
If you don't think
They out weigh the bad
Well then go ahead
Sign your name
And I'll be
On my way
I'll be on my way
