I woke up(woke up) pissed off(Why?)  
I had twenty five missed calls(Damn)  
Hustling, balling, Chris Paul  
Lil momma said, Hey  
I said I done came up, I done came up  
I done came up, I-don I-done came up  
I.D.G.A.F., I don't give a fuck  
I.D.G.A.F.,(to the styrofoam cups)  
I-don I-done came up, I done came up  
I done came up, I done came up  
I.D.G.A.F., I don't give a fuck, no sir  
I.D.G.A.F.(haa)

One life, live it up  
Got the Jimmy stuff tight  
I ain't slipping up, no!  
I pour syrup in a mini cup  
I.D.G.A.F., I don't give a fuck(haa)  
Shoe game, ace game  
If I'm in a strip club, then it might rain  
I-don I-done came down like an air-plane (prn)  
Fuck around and came up in the dice game (whoop)  
Got the doors on a brand new cooper, Upp  
watch your girl, cause she might get scooped up (yes)  
Hit a ford dealership and bought about two trucks  
Crazy thing, I didn't even give two fucks  
Damn, charisma (ayy), fuck swagg  
Catch me in the hood like a bus pass  
I ain't even tripping, I get much cash  
Fresh fade, chin hair, and a mustache

I-don I-done came up, I done came up  
I done came up, I done came up  
I.D.G.A.F., I don't give a fuck, no sir  
I.D.G.A.F.

Balling Jim Jones I didn't came at the night club..  
..with a pretty face,  
But main bitch find out I had to get away  
Ha, run, run, might ...  
Ain't feeling that... what a ... choice

..around town, girl, you...  
Bang, bang, had to shut her down  
Big bang ... eat MacDonald  
First class, worldwide...  
City after city, concert runner  
Allan took your back to the...  
Hold up, yes sir!  
...better blow the skirt!  
Where you from?...  
Sugar honey, ice tea, I'm the S world

Chorus:

I didn't came up, I didn't came up  
I didn't came up, I didn't came up  
I.D.G.A.F., I don't give a fuck  
I.D.G.A.F.  
I didn't came up, I didn't came up  
I didn't came up, I didn't came up  
I.D.G.A.F., I don't give a fuck, no sir  
I.D.G.A.F.

I said... I stay so fly get...  
Make your head...  
La mamma ... so I tell her to get into the ride  
To get her ass in the way she'll be getting tonight.  
I took her home, and I was hoping to get her a sign  
...and I hoped to give her a surprise!  
... but we ain't ready to go!  
Officials ... I'm just letting you know  
Drank a whole bottle, swear I done it before  
Indoor, outdoor, good thing  
Yeah, big bang, take little thing ...  
Spend twenty five grands on a fish tank.

Chorus:

I didn't came up, I didn't came up  
I didn't came up, I didn't came up  
I.D.G.A.F., I don't give a fuck  
I.D.G.A.F.  
I didn't came up, I didn't came up  
I didn't came up, I didn't came up  
I.D.G.A.F., I don't give a fuck, no sir  
I.D.G.A.F.
