[Verse 1]
Goddamn she a sassy
Face, body, a** yeah she got the total package
Walking through the club like a ni**a aint watchin
Struttin that strut like she in a mall shoppin
Can't forget the mansion, yeah she got dimensions
I wonder if she know that she the center of attention?
Middle of the floor, doing her, looking sexy
She can walk that walk, like the ni**as do at weddings
She the type you wanna marry, top notch and classy
Ni**as lined up trying to be her baby daddy
Excuse me what's your name? How you doing? I'm just
asking
Can I take you by the head? Baby I'll be gladly
Damn I want her bad, so Ima come at her politely
By the way she flirtin, I can tell that she like me
Way across the floor, but looking at me while she
dancing
That sexy a** can be, lil mama you aint understandin

[Chorus]

She look good in her clothes, head to her toes, Toes
Primetime chick, she the type to get chose, Chose
Baby girl she so fine, she make a ni**a wanna shout,
Shout

Style so hood, I wanna see what she about, Bout
She walk that Walk, Walk that Walk
Walk that Walk, Walk that Walk

[Verse 2]

She got Beyonce hips, Keishya Cole thighs

She yellow like the road in the Wizzard of the Oz
Got them other b*tches hattin talkin like flies
Say it, then she go fed
And she taste up from her toes to her head
Take her out to eat before I take her to the bed
And give that Uhh Uhh and I don't need no meds
All I need is her, thirty minutes, and a rubber
Ni**a like me you'll find nan other
Straight beast mode, three times, one hour
Give it to her, in the kitchen, bedroom, or the shower
Lil talk, I got, what she need
Head board, knockin up against her knees, Knees
Hit her from the back, so I can grab her by the waist
Flip her over then Youuuuu all on her face

[Chorus]

She look good in her clothes, head to her toes, Toes
Primetime chick, she the type to get chose, Chose
Baby girl she so fine, she make a ni**a wanna shout,
