Ohhhh yeahhhh
Hahaha
Lemme see you do it
Open them straight legs
Lets take off your stilleto bitches
It's time to pop it
Hahaha
Yeaaaaahh

I see you staring like (Low)
Let me see you hit that (Low)
Bounce around girl [x2]
Bounce around like (low)
Let me see you get (Low x7)
Got a bounce to make it(low)
How do you like this(low?)
Hold up now let me bring it back[x2]
Boys pop the bottles bitches[x2],
Girls let me see you pop that ass [x2]
Bring it back [x2]

[Chorus]
Boys Pop The Bottles, Girls Pop Their Asses
You talk about it,
But they make it happen
So boys bring out the bottles
And ladies show your asses
Their coming over
Love in the back

Cause lets get a little rewind
Cause she's naked on the dance floor
I saw her eyeing me earlier
Ahh when I think I just
I walk up to her
Hi baby what's your sign?
What's your number
Heres my phone just put it in
She told me what she was drinking
Told her what I was thinking
I got another drink

And I got another drink
I got her hooked like that
Now we're in the car and she can't keep her hands to
herself
Now we're at my house and I can't keep my hands to
myself.

[Chorus]
Boys Pop The Bottles, Girls Pop Their Asses
You talk about it,
But they make it happen
So boys bring out the bottle
And ladies show your asses
Their going over
Love in the back

Lets play a game of spin the bottle [x2]
Let lets keep going stop the bottle.
You're eye-fuckin me
I know you like my(LOW)
People staring for quite a while
You can tell I'm gonna
Pop this bottle[x2]
You know the games
You know what you gunna do let me see you
Do that [x2]
Like you know you supposed to
There's no rules
To this game
So let me see you get naughty
Let me see you get sexy
Let me see you pop that ass,
Oh yeah I like that [x2]

[Chorus x2]
Boys Pop The Bottles, Girls Pop Their Asses
You talk about it,
But they make it happen
So boys bring out the bottle
And ladies show your asses
Their going over
Love in the back

[X2]
Kick off them straight legs pants [x3]
And pop that ass [x2]
Kick off them straight leg pants [x3]
And pop that ass[x2]
