Boys pop the bottles
And the girls pop their asses
You talk about it
But we make it happen
So boys bring out the bottles
Ladies show your asses
Thong on or no thong
Off with the pants

OH I see you starin like
Let me see you hit that pole
Bounce it around girl (x3)
Bounce it around like woah
Girl bounce it around like
Let me see you get
LOW LOW LOW LOW LOW LOW LOW
I'm about to make it snow
Outta my penis hole
Hold up now let me bring it back
Hold up now let me bring it back

Boys pop the bottles bitches
Boys pop the bottles bitches
Girls let me see you pop that ass
Girls let me see you pop that ass
Bring it back
Bring it back

Boys pop the bottles
And the girls pop their asses
You talk about it
But we make it happen
So boys bring out the bottles
Ladies show your asses
Thong on or no thong
Off with the pants

Pause Lets get a little rewind
Cause she's naked on the dance floor
Saw her eyin me earlier
Er and I think I just
Might walk up to her

Like baby what's your
Sign what's your number
Here's my phone just put it in mine

She told me what she was drinking
And I told her what I was thinking
I bought another drink
And brought another drink
I got her hook, line and sink
Now were in the car
And she can't
Keep her hands to herself
Now were at the house
And I can't keep my hands to myself.

Boys pop the bottles
And the girls pop their asses
You talk about it
But we make it happen
So boys bring out the bottles
Ladies show your asses
Thong on or no thong
Off with the pants

Kick off them straight leg pants
Kick off them straight leg pants
And pop that ass
Pop that ass

Kick off them straight leg pants
Kick off them straight leg pants
And pop that ass
Pop that ass

Lets pay a game of spin the bottle
Lets play a game of spin the bottle
Lets cheat and stop that bottle
You're eye fuckin me so come kiss me
I know you like my style
You've been staring for quite a while
How bout I pop this bottle
Pop this bottle
You know the game
You know what to do
Let me see you do that (do that)
Like I know your suppose to
There's no rules to this game
So let me see you get naughty
Let me see you get sexy
Let me see you pop that ass
Oh yeah I like that

Oh yeah I like that

Boys pop the bottles
And the girls pop their asses
You talk about it
But we make it happen
So boys bring out the bottles
Ladies show your asses
Thong on or no thong
Off with the pants

Put your hands on your knees then pop
Put your hands on your knees then drop
Put your hands on your knees then pop
Put your hands on your knees then drop
Put your hands on your knees then pop
Put your hands on your knees then drop
Put your hands on your knees then pop
Put your hands on your knees then drop
Put your hands on your knees then pop
Put your hands on your knees then drop
Put your hands on your knees then pop
Put your hands on your knees then drop
Put your hands on your knees then pop
Put your hands on your knees then drop
Put your hands on your knees then pop
