Laughs
Get Crunk (okay) 24X
Cus I'm a scene kid, scene kid
Hated by few and loved by a lot
Kids follow me
But they do it so mean
Like a goddamn crowd
and you know why?
Cus I'm a scene kid, scene kid
Hated by few and loved by a lot
Kids follow me
But they do it so mean
Like a goddamn crowd
and you know why?

It's kay that's all I gotta say
Freak out and they're like
Hey thats you from the band
I'm like yeah!
Thats me from the band
I'm just little old me
Just a little scene kid Spanky
I'm so little and so small
But I got a hog call
My Fashion statements crazy
My fashion statements crazy
I mix match anything and everything
and never look shitty
So if you hate me hate me
come on over get on your knees and
suck me suck me
But if you love me love me
Come on over and get a free H-U-G
A free H-U-G yeah
thats what I said come get one

Cus I'm a scene kid, scene kid
Hated by few and loved by a lot
Can't swallow me
But they do it so mean
Like a goddamn cry

and you know why?
Cus I'm a scene kid, scene kid
Hated by few and loved by a lot
Can't swallow me
But they do it so mean
Like a goddamn cry
and you know why?

It's like monkey see monkey do
And I don't mind if you follow my trend
But you better make it look good
Like a true scene kid would
Do that same dude
Like a true scene kid would
Yeah a true scene kid would
We gotta be sexy and
really fucking pretty
None of you ugly people
that look just plain shitty
You feel me?
If I like something I wear it.
If I like something you wear it.
What the fuck?
What the fuck?
WTF?
Well are you retarded
At least I know I'm starting to
Get the trend started 7X

Cus I'm a scene kid, scene kid
Hated by few and loved by a lot
Kids follow me
But they do it so mean
Like a goddamn crowd
and you know why?
Cus I'm a scene kid, scene kid
Hated by few and loved by a lot
Kids follow me
But they do it so mean
Like a goddamn crowd
and you know why?
Cus I'm a scene kid, scene kid
Hated by few and loved by a lot
Kids follow me
But they do it so mean
Like a goddamn crowd
and you know why?
Cus I'm a scene kid, scene kid
Hated by few and loved by a lot
Kids follow me
But they do it so mean

Like a goddamn crowd
and you know why?
