Let me see you shake it girl!
(Something I can't under stand)
Girl let me see you shake it
Don't be wasting my time,
Let me see you get low,
Let me see you get low,
Let me see you get low
Let me see you get low.

(I can't understand again)
Girl let me see you shake it
Don't be wasting my time,
Let me see you get low,
Let me see you get low,
Let me see you get low.
Let me see you get low.

Let me see you clit,
Let me see your cunt,
Let me see you clit,
Let me see your cunt,
Let me see your ass
On the fucking roll
Let me see your ass
On the fucking roll.

(I can't understand)
I wanna see your ass clap
Baby make it shake
Baby make it shake girl,
Baby make it shake,
I wanna see that ass clap
Baby make it shake

Spankies in this mother fucking repping their shit.
Spankies in this mother fucking repping their shit.
(I don't understand)
You don't even know what's about to happen.

(I can't understand again)
Girl let me see you shake it
Don't be wasting my time,

Let me see you get low,
Let me see you get low,
Let me see you get low.
Let me see you get low.

(I can't understand again)
Girl let me see you shake it
Don't be wasting my time,
Let me see you get low,
Let me see you get low,
Let me see you get low.
Let me see you get low.

I'll be that, I'll be that kid named Rick
No I'm not really a kid but I ain't grown-up yet.
I get childish when I see that ass shake.
I wanna take it and bake it
And put my frosting on that cake.

Back, back, back up and tap it.
Show me what you got,
Show me your the baddest.
Top status and tell me who your dad is.
It's J-Records and tell me who that is.
It's J-Records and tell me who that is.
It's J-Records and tell me who that is.
It sounds funny but the sluts make money.
It sounds funny but the sluts make money.

(I can't understand again)
Girl let me see you shake it
Don't be wasting my time,
Let me see you get low,
Let me see you get low,
Let me see you get low.
Let me see you get low.

(I can't understand again)
Girl let me see you shake it
