If there's a problem that you can not solve  
And The more you try - you get deeper involved  
If in your mind there is no peace - And you want to put  
your mind at ease  
Here's the solution and what you should do -  
Get on your knees and pray til you get through  
You just pray (Pray) Pray (Pray)  
(All) Until something happens that's what you've got to  
do (repeat)

Prayer is the keys to the kingdom, your faith unlocks  
the door  
If you pray and nothing has happened,  
Then you might need to pray you some more,  
Just Pray to the father, Jesus the son  
The Holy Ghost will show you how prayer should be  
done  
You just pray (Pray) Pray (Pray)  
(All) Until something happens that's what you've got to  
do (repeat)

Heyyy you just pray (Pray until something happens) x 4

Pray in the morning, m pray in the evening, For the  
good for the bad, pray when you're your happy, Pray
