Love Letters

Words and music by Dottie Rambo

Verse 1

I was going through memories and treasures today  
Found Your love Letters IÂ'd hidden away.  
There was tender emotion with each stroke of your pen  
I opened the letters and read them again

Chorus

Remember I love you  
With a heart I have loved you  
IÂ'd like to claim you and name you my own  
Remember I love you  
With a heart I have loved you  
When you doubt that I do  
Count the tears scattered through My love Letters to  
you

Verse 2

I counted the gifts You had given so free  
You never stopped giving with no word from me  
They were wrapped in silk ribbons with notes marked in  
red  
I turned through the pages and hereÂ's what You said

Chorus

Verse 3

By the light of a candle I picked up a pen  
Words donÂ't come easy. How do I begin?  
Oh I pray IÂ've not waited to long to reply  
Angel bear my letter to my Love in the sky

Chorus

Verse 4

-I just read Your answer with tears in my eyes;  
The stage has been set for the Groom and the bride.  
But I shudder to think just how sad life would be  
If IÂ'd never heard Your love Letters to me.
