The holy hills of Heaven call me  
To mansions bright across the sea  
Where loved ones wait and crowns are given  
When the hills of home start calling me

This house of clay is but a prison  
Bars of bone hold my soul  
But the doors of clay are gonna burst wide open  
When the angel sets my spirit free  
I'll take my flight like a mighty eagle  
When the hills of home start calling me

I see loved ones over yonder  
Tears are gone and hearts are free  
And from the throne of my Savior beckons  
And the hills of home are calling me

This house of clay is but a prison  
Bars of bone hold my soul  
But the doors of clay are gonna burst wide open  
When the angel sets my spirit free  
I'll take my flight like a mighty eagle  
When the hills of home start calling me  
Calling me
