Chorus:

When I'm down (when I'm down)
When I'm down and out (when I'm down and out)
When my heart (when my heart)
Is filled with fear and doubt
Then I lift up my head and He lifts up my heart
And my troubles just all roll away
Roll away, Lord (roll away)
Troubles rolled away, Lord(roll away, Lord)
Roll away, Lord (roll away)
Troubles rolled away, Lord(roll away, Lord)
When I lift up my head and He lifts up my heart
And my troubles just all roll away

Well I can't see the sun with my head to the ground
Tears dim my vision and weigh my heart down
But I get this feeling when I kneel to pray
When I lift up my head and He lifts up my heart
And my troubles just all roll away

Repeat Chorus

Roll away
Roll away
