(Mel Foree)

Yesterday, you said you love me
Today you say it's over now
Why did you go away and leave me
All the world is lonely now.

I tried so hard to make you happy
With love your heart would not allow
It's hard to know you'll never love me
All the world is lonely now.

Goodbye, good luck and may God bless you
I'm tried to get along somehow
I know I'll never love another
All the world is lonely now.
All the world is lonely now.

Put it off until tomorrow
Oh, oh, you've hurt me enough today...
