Lookin' out my window  
Nothing much has changed  
Gray clouds are rollin' in  
Looks like it's startin' to rain

My phone keeps ringin'  
Old friends keep callin'  
Tryin' to cheer me up  
And brighten up my day

But I'll be as blue as I want to  
I'll cry if I please  
Tonight I'd rather be alone  
And watch a little late night t.v.  
Well tomorrow I'll be smilin'  
Puttin' on a show  
But tonight I'll be as blue as I want to  
No one will ever know

Sayin' it's over  
Is so hard to do  
But now it's said and done  
There's nothing left to hold on to  
You broke your promises  
You're feelin' some regret  
Well no thanks  
I don't think I'll be needin' you tonight

Cause I'd rather be (blue) as blue as I want to  
(Cry) I'll cry if I please  
Tonight I'd rather be alone  
And watch a little late night t.v.  
Well tomorrow I'll be smilin'  
Puttin' on a show  
But tonight I'll be as blue as I want to  
No one will ever know  
(Blue as I want to)  
No one will ever know  
(Blue as I want to)  
No one will ever know

(music to fade)
