(Hal David - Stoney Edwards)

Broken hearted melody once you were our song of love
Now you keep on toning me with the memory of his
tender love
Oh, broken hearted melody must you keep reminding
me
Of the lips I long to kiss and the love I miss.

Since you went away night and day they play
That broken hearted melody that he used to sing to me
When our love was young and bright and he held me
tight
Suddenly I'd found I was heaven bound.

Broken hearted melody once you were our song of love
Now you just keep toning me with the memory of his
tender love
Oh, broken hearted melody oh won't you bring him
back to me
Sing to him till he yearns for me he returns.

No more will you be a broken hearted melody
Broken hearted melody...
