(Jack Rhodes - George Richey)

Go on with your new love
Have a good good time
Take her out, show her off
Fill her tall glass with wine.

Live all you can I'll forgive you
When the last thrill is gone
Just remember old faithful
Is waiting at home.

Bright lights had you blinded
For a long, long time
Your rose colored world
Is such a long way from mine.

I'm just a teardrop from a breakdown
And I'm so all alone
Just remember when you wake up
Won't you please come on home.

Come on home, come on home
Never more to roam
I'll open wide my arms for love
It's all right so come on home.

I'll open wide my arms for love
I still love you so come on home...
