(Dottie West)

I'm the girl who told the world  
This town's too small for me  
Now I'm back I want the whole town  
To drop by for my apology.

Won't bring tears from all the years  
About while I was gone  
Well, bring a band through friendship  
And everybody bring a song.

Everybody bring a song sing a song to me  
A good old fashion love by neighbor hospitality  
Don't bring tears from all the years about while I was  
gone  
Bring good news and your dancin' shoes everybody  
bring a song.

I know who the last come through the door he's gonna  
be  
He may be shy but he's the guy who said he'll wait for  
me  
He won't bring tears from all the years about while I  
was gone  
And he's my man when he takes my hand well  
everybody bring a song.

Everybody bring a song sing a song to me  
A good old fashion love by neighbor hospitality  
Don't bring tears from all the years about while I was  
gone  
Bring good news and your dancin' shoes everybody  
bring a song.
