(Bob Wills - John Wills)

As I look at the letters that you wrote to me  
Oh, it's you that I am thinking of  
As I read the lines that to me are so dear  
I remember our faded love.

I miss you darling more and more every day  
As heaven would miss all the stars above  
And with every heartbeat I still think of you  
And remember our faded love.

As I think of the past and all the pleasures we've had  
As I watch the mating of the dove  
It was in the springtime when you said goodbye  
I remember our faded love.

I miss you darling more and more every day  
As heaven would miss all the stars above  
And with every heartbeat I still think of you  
And remember our faded love.

As I think of the past and all the pleasures we've had  
As I watch the mating of the dove  
It was in the springtime when you said goodbye  
I remember our faded love.

I remember our faded love...
