Last night quietly he walked through my mind
As I lay searching for sleep, his arms reached out
He whispered my name
As he brushed a tear from my cheek

And then those funny, familiar, forgotten feelings
Started walkin' all over my mind
It's sad so sad to watch love go bad
But a true love would not have gone wrong

I'm just thankful for the good times we've had
For without them I could not go on
With all those funny, familiar, forgotten feelings
A-walkin' all over my mind

I must go on, be strong
Though a million teardrops may fall
Before those funny, familiar, forgotten feelings
Stopped walkin' all over my mind
