(Larry Gatlin)

I've tried not to love you but I can't not love you
I've tried not to want you but I can't not want you
I've tried not to see you but I can't not see you
And I must confess oh Lord I'd been an awful mess
And it's all because of good lovin' you.

I've tried to be a good girl but I can't not want you
I've tried to see another world but I can't not see you
I've tried to run from you but I can't not have you
And I must confess oh I'd been an awful mess
And it's all because of good lovin' you.

It's all because of good lovin' you
I don't know how you made me do the crazy things I do
I keep runnin' and a hidin' tryin' to get you off my mind
But then I'm surprised to tryin' I left my heart behind
And I must confess oh I'd been an awful mess
And it's all because of good lovin' you.

--- Instrumental ---

It's all because of good lovin' you
I don't know how you made me do the crazy things I do
I keep runnin' and a hidin' tryin' to get you off my mind
But then I'm surprised to tryin' I left my heart behind
And I must confess oh I'd been an awful mess
And it's all because of good lovin' you.

And it's all because of good lovin' you.
And it's all because of good lovin' you...
