I'm sorry but you've come to the wrong house
But I know who those flowers are for
The flowers that you have are for someone who's
happy
And happiness lives next door

Someone sends her flowers each evening
And her young heart is flooded with joy
So don't keep her waiting deliver her flowers
To happiness who lives next door

The only one who would send flowers to me
Is gone to return no more
But there's some consolation to know someone is
happy
And happiness lives next door

The only one who would send flowers to me
Is gone to return no more
But there's some consolation to know someone is
happy
And happiness lives next door
