(Bruce Welch & Alan Tarney)

He's gone now, I've cried some, since he went away.
Oh, I miss him, I wanna kiss him, ain't it just the way,
babe?
But it's no way at all.
'Cos if you knew, what I'm going through, you'd know,
There's one thing wrong with the way I'm living,
Ain't got my baby no more.

Hey, Mr. Dream Maker send me a dream.
This one is over, at least, that's what it seems.
And so tonight when I turn out the light,
Send me a new dream tonight.

He didn't say much, just a little touch, and he was on
his way.
He couldn't hold me, when he told me, he'd just fade
away,
But it's no use crying.
'Cos what everybody tells me, and they all seem to
know.
There's one thing wrong with the way I'm living,
Ain't got my baby no more.

Hey, Mr. Dream Maker send me a dream.
This one is over, at least, that's what it seems.
And so tonight when I turn out the light,
Send me a new dream tonight.

Hey, tonight when I turn out the light,
Send me a new dream tonight.

Send me a new dream tonight.

Send me a new dream tonight.

Send me a new dream tonight.

Send a dream.

Send me a dream.
