Today I sat alone at my window  
And I watched our little boy outside at play  
With the little girl next door like so many times before  
But something didn't seem quite right today

So I went outside to see what they were doing  
And then the teardrops came my eyes would lame  
'Cause I heard him name the game and I hung my  
head in shame  
When I heard our little boy say to her

I don't wanna play house I know it can't be fun  
I watched mommy and daddy and if that's the way it's  
done  
I don't wanna play house it makes my mommy cry  
'Cause when she played house my daddy said  
goodbye

I don't wanna play house I know it can't be fun  
I watched mommy and daddy and if that's the way it's  
done  
I don't wanna play house it makes my mommy cry  
'Cause when she played house my daddy said  
goodbye
