(Leon Payne)

I love you because you understand dear
Every single thing I try to do
You're always there to lend a halping hand dear
I love you most of all because you're you.

No matter what the world may say about you
Well I know your love will always see me through
I love you for the way you never doubt me
But most of all I love you cause you're you.

--- Instrumental ---

No matter what may be the style or season
I know your heart will always be true
Oh I love you for a hundred thousand reasons
But most of all I love you because you're you...
