(Willie Nelson)

This is the very first day since you left me
But I'll try to put my thoughts in a song
And all I can hear myself saying
Is I still can't believe you're gone.

I still can't believe that you'd leave me
What did I do that was so wrong
There's just too many unanswered questions
And I still can't believe you're gone.

But you're gone and I'm alone and I'm still living
I don't like it but I'll take it till I'm strong
And all I can hear myself saying
Baby is I still can't believe you're gone.

--- Instrumental ---

You're gone and I'm alone and I'm still living
I don't like it but I'll take it till I'm strong
And all I can hear myself saying
Baby is I still can't believe you're gone.

I still can't believe you're gone...
