(Fred Rose - Hy Heath)

Well, if you found someone new
Who means more than me to you
Darling, I'll never stand in your way
And if you feel we must part
Well, don't let pity rule your heart
For darling, I'll never stand in your way.

I love you much too much to ever lose you
But what is to be will be and I'll obey
I'll be blue when you go but I'll never let it show
Darling, I'll never stand in your way.

--- Instrumental ---

I love you much too much to ever lose you
But what is to be will be and I'll obey
I'll be blue when you go but I'll never let it show
Darling, I'll never stand in your way...
