Once again you've got me cryin'  
I'm a fool if I let this go on  
You can hurt me without even tryin'  
Think I'll pick up my heart and go home

I can see the first signs of autumn  
All at once, all the flowers are gone  
Suddenly I feel so forgotten  
Think I'll pick up my heart and go home

Someplace where you'll never find me  
A place where I can leave your memories all behind me

Once again you've got me cryin'  
Oh, I'm a fool if I let this go on  
Yes, you can hurt me without even tryin'  
Think I'll pick up my heart and go home  
Think I'll pick up my heart and go home
